

Strawberry Creek Friends Meeting
Minute protecting worship from law enforcement interference
Approved August 10, 2025

Strawberry Creek Monthly Meeting of the Religious Society of Friends is in unity with Pacific Yearly Meeting's participation in the multi-denominational civil action filed on July 28, 2025, which seeks to protect sacred worship from militarized law enforcement activity threatening the free practice of inclusive faith. This Minute of Action is a declaration of our commitment to Quaker testimonies and our longstanding minutes of concern as our Meeting corporately holds democratic processes in the light and acts non-violently to upend forces of tyranny.
