Acknowledgements

Many people, both those listed above and others, have offered to serve on short-term, ad hoc, or volunteer committees, including after-Meeting refreshments, anchor committees, Community Sharing Fund, Facilities audio visual working group, Facilities setup working group, Facilities Zoom host working group, Naming Committee, Power Privilege and Race Subcommittee, Site Search Committee, and the State of the Meeting writing committee. These positions, while not nominated positions, are fundamental to the life of the Meeting.

The nominated positions listed in the Facilities Committee job description are the clerk (or co-clerks) and coordinators for AV, setup, and Zoom. Two teams of two people committed to providing AV and indicated that no coordinator was needed as they would cover the responsibilities of the coordinator.
