

Below is the proposed committee rota for Advices & Queries during 2023-2024. Committee clerks will be reminded of their upcoming A&Q assignment two months in advance.

This assignment involves taking committee time to reflect on the assigned query and creating a summary of the committee's reflections. The committee's reflections are read by a member of the committee at the Meeting for Business in the assigned month. At M4B others will be given an opportunity to share any responses which may rise.

Someone on the committee is to read aloud the A&Q itself during the first fifteen minutes of worship on the second Sunday of the assigned month (the shift from first to second Sunday of the month for reading the A&Q aloud during the worship hour is because first Sundays are now "side by side", whereas second Sunday is a blended Meeting when everyone is together). The text of Advices & Queries may be found on page 46 of the printed PacYM Faith and Practice (2001) and of the online PDF version <http://www.pacificyearlymeeting.org/wordpress/wp-content/uploads/2013/10/PYMFandP2001secure.pdf>

Introduction (to be read aloud during the first 15 minutes of worship hour):

"The Advices and Queries are read each month to bring before us the discoveries and counsel that Friends over the years have found central to our worship and our daily lives. The Advices and Queries for this month are on _____."

Month (2023-2024)

September	Meeting for Worship for Business	Communications
October	Simplicity	PESW
November	Social & Civic Responsibility	First Day
December	Stewardship & Vocation	Facilities
