## Re-Envisioning/Brainstorming Our Meeting 1pm Sunday December 4

### Care of Meeting Report (11/13/22) from Co-Clerk Kathy Barnhart

As co-clerk of Care of Meeting Committee, I'd like to say a few words about our Zoom meeting scheduled for December 4 at 1 pm.

For the past 5 or more years, after each Nominating cycle we have been informed that there aren't enough people to serve on the committees as they stand. We have responded in the past by merging or eliminating committees, or by hoping that next year will be better. This year at the Clerks Meeting in August, we heard from the clerk of Nominating that she felt we were "rearranging chairs on the Titanic." Care of Meeting would like to begin the process of looking together at this reality. We know that the pandemic, plus the aging of our Meeting members and attenders are partly responsible.

But it is also an opportunity for us to look at, what Paul Jolly said to Chris and me, is "at its heart, a spiritual question." I often look to the writing of Patricia Loring when I seek inspiration. She says it well: "...our participation manifests our love, by our willingness to serve one another in the tasks that keep the outward life of the meeting running." And also, "...many matters are routine and don't take us to spiritual depths. The spiritual commitment is precisely in the willingness to perform these unglamorous tasks, in humility and love, for the body of which we are part."

We expect the process of looking at the larger structure of our meeting, our workload, and how to adapt to our reality, to take some time. But there are also urgent questions to look at right away, since Nominating will be starting its current cycle very soon. We are so grateful to Nominating for the work they do.

In a recent conversation with Barbara Birch, a co-clerk of Nominating Committee, she asked for guidance from the Meeting for situations such as:

- Should a person, who is willing and able, clerk more than one committee? We had an example earlier this year.
- If a committee is not currently functioning, should Nominating try to fill it? For example, First Day School, Loaves and Fishes
- If a committee is not big enough to carry the workload, what should Nominating do? For example, Facilities committee now has very few active members
- If people set limits on who they will work with or how many people must be on a committee before they will clerk it, should Nominating accommodate them rather than place them where needed?

As for the longer run, here are other questions:

- Should we consolidate some committees, as has been done in the past? Are there some committees that should be prioritized, in order to keep our blended Meeting for Worship functioning?
- Should we keep committees as they are, and if fewer people staff them, reduce the work they do?
- How should we reach out to new members and attenders, in hopes of growing our Meeting?

Between now and the December 4 meeting, please consider how your own role can be modified to suit our current reality. Even those who only come to Meeting on Zoom could fill useful roles by phone and computer. We will listen to Spirit and to each other in discerning how Strawberry Creek can joyfully move forward.

Meeting for Worship on the Occasion of Business  
November 13, 2022, draft minutes**

*For review and approval at December 11, 2022, Meeting for Business*

Meeting for Business opened at 12:30 p.m. with silent worship and was conducted via Zoom. Beth Wrightson clerked the meeting. 25 Friends were present.

We heard Advices & Queries on Integrity and Personal Conduct.

The Clerk reviewed the agenda, which was posted by the Recording Clerk to groups.io on November 11th.

The Recording Clerk then read the October, 2022, minutes. The minutes were approved with the following corrections. The spelling of Mico Sorrel's name was fixed. The advices and queries for which we heard reflections were on Stewardship and Vocation.

### **Prompt**

The clerk read the prompt: *"We are reminded to consider how our work and decisions today support SCMM in becoming an actively anti-racist faith community."*

### **Correspondence and Clerk's Business**

The Clerk said that she has received thank you letters from Sierra Friends Center and the Alternatives to Violence Project (AVP) for our annual donations. AVP announced that they are able to be back in the prisons to do their work. She also received a request from Carl Thiermann to lay down his membership, which she passed on to the Care of the Meeting Committee. She shared a fragment from Thomas Kelly's writings, an invitation to slow down and sink more deeply into the life of the Spirit. The Front Table is considering a blended Meeting for Business, beginning in the new year.

### **Old Business**

Nominating Committee (Barbara Birch) brought back the nominations of Kathy Barnhart and Chris Hogness as co-clerks of Care of the Meeting Committee. The nominations were approved.

Care of the Meeting Committee (Kathy Barnhart) reports that they have heard no objections to the transfer of membership for Heather Levien from Berkeley Friends Meeting to Strawberry Creek. The Meeting approved the transfer. A committee, comprised of Elizabeth Strain, Ragni Larsen-Orta, and Elaine Emily, will meet with Heather to formally welcome her to our community.

Communications Committee (Sarah Hawthorne) has made two changes to the Zoom Coordinator job description, and the revised job description was circulated via groups.io November 8th. The job description was approved as circulated.

The Clerk shared that she has been discussing with various committee clerks which committee should house the Zoom Coordinator. That deliberation continues.

## **New Business**

Laura Miller (Events Committee) advises that we are not yet ready for a Spring Retreat at Ben Lomond. That decision was affirmed by the meeting. Peter Trueblood, who is on Quaker Center's Finance Committee, will communicate the cancellation to them, and ask them to reserve the first weekend of May, 2024.

The Events Committee will plan a 12th Month gathering (December 18th) and a local event for the Meeting in May.

Naming Committee (Charlie Blanchard) brought the names of Barbara Birch and Susan Black (co-clerks, returning) for Nominating Committee. Continuing committee members Mary White and Josh Gallup will be joined by new member Philippa Barron. The Naming Committee will continue to seek a sixth committee member. The co-clerks' willingness to serve again was predicated on the committee's not having to call everyone in the directory.

There was discussion about how to recognize the value of all members and attenders, without disturbing people who would not welcome a call from the nominating committee. The Clerk will confer with the Care of the Meeting and Mutual Care Committees about how to ensure Friends don't slip through the net.

Power, Privilege, and Race Subcommittee (Susan Burr) shared its recommendation for SCMM usage of the antiracism accountability prompt and query, which were shared via groups.io November 13th. The recommendations, to continue using the prompt and query (removing "when relevant") in Meeting for Business and also in all committees, were approved.

Nancy Wilkinson (Treasurer) presented a year-to-date report, to set the stage for Finance Committee (Peter Trueblood & Lee Douglas)'s presentation of the first draft of the 2023 budget. The committee was advised to add funds for a spring retreat. Friends who have further comments on the draft 2023 budget (distributed via groups.io November 11), please contact Peter or Lee.

## **Reports**

Care of the Meeting (Kathy Barnhart) has scheduled a session December 4th at 1:00 p.m. for discernment together. The topic will be how to modify our structure to match our capacity, diminished as it is by COVID and aging.

Communications Committee (Sarah Hawthorne) shared what they have heard from Strawberry Creek monthly newsletter readers. The Meeting has 200 digital subscribers and 50 print subscribers. Starting in January, the committee will do a six month experiment shifting to digital delivery to everyone. All who are in the directory will get the digital newsletter, which is also available via the website. Anyone who needs a paper copy is encouraged to contact Sarah.

Worship and Ministry (Judith Schumacher Jennings) reported on its deliberations.

Using B-Tech's heat, ventilation, and air filtration system. For Winter Adjustments: we will continue to require vaccinations, wear masks indoors, rely on BUSD HEPA Filters and turn on the heat. Today we began to keep windows ajar for fresh air intake.

Resuming social hour with coffee and refreshments. The Clerks of Loaves and Fishes would prefer not to be involved at this time. An ad hoc Committee would be required. If this is something you could help with please let Judith know.

Today we experimented with socializing without masks under the new canopy in the courtyard and continuing to wear masks in the rest of the courtyard. We do not want to further fragment the meeting. Please continue to send in your feedback.

The Tech Subcommittee (John McCarthy, James Hosley, Randy Matamoros, Paul McCold, Erik Wilson) made a Report to W&M for input. Due to a volunteer shortage, 1st, 3rd and 5th hybrid meetings will be prioritized and 2nd and 4th Meeting will be side by side meetings and not hybrid as needed.

A new laptop has been approved and purchased for use at the hybrid meeting.

The Tech Committee has been an ad hoc subcommittee of W&M for the last few years while it was in a transitional phase in setting up the hybrid meeting. W&M would like the Tech Committee now to find another home so W&M can refocus on the Spiritual Life of the Meeting. The Facilities Committee was considered, but that solution would unduly burden the Facilities clerk. The Tech Committee could possibly become a Committee in its own right. That would require a clerk.

### **Query**

The Clerk invited us to contemplate the query: *“How did our work and our decisions today support us in becoming an actively anti-racist faith community?”* Several Friends shared thoughtful responses.

### **Announcements**

Next Meeting for Business December 11, 2022, at 12:30 p.m.

Power, Privilege, and Race Subcommittee will present a session on power November 20, 12:30 p.m. This will be the first of a series of three.
